At 8:35 upon a motion by Vicki Cash-Graff and seconded by John Barrett the SHRC unanimously adopted the September 12, 2014, meeting agenda.

Deb Lochart, Acting Human Rights Director, remarked that this is an exciting and progressive time of change for DBHDS.

Ms. Lochart reported on staff changes within the Department. Jack Barber has been named Director of Medical Affairs for DBHDS. Employment positions have opened in ID services in response to the DOJ Settlement.
Agreement. The interview process has begun for filling the Human Rights Director position. Kevin Paluszak, Regional Advocate for Region 2, has accepted a position at Heart Havens, LLC. His last day with DBHDS is September 26, 2014.

The SHRC received copies of Commissioner Ferguson’s communications. Deb Lochart offered to forward the communications to SHRC members via email in real time on an ongoing basis.

Deb Lochart reported on Department activities and current initiatives. Commissioner Debra Ferguson solicited input from DBHDS staff for the development of new Vision and Mission statements. Deb Lochart congratulated Carrie Flowers, Human Rights Advocate, for her submission of statements, which made it into the final round. Commissioner Ferguson has issued following Vision and Mission Statements:

Vision Statement: A life of possibilities for all Virginians

Mission Statement: Supporting individuals by promoting recovery, self-determination, and wellness in all aspects of life.

Deb Lochart reported that the Department is expecting more budget cuts.

Upon a motion by John Barrett and seconded by Penny Cameron the SHRC unanimously voted to invite Commissioner Ferguson to the December SHRC meeting at central office to discuss her vision, views and objectives especially as relates to human rights protections.

Deb Lochart will speak with Commissioner Ferguson regarding above.

Goals Workplan At 8:42 Deb Lochart solicited input from SHRC members regarding SHRC goals for the fourth quarter of 2014 and for year 2015.

Goal 1: Ensure rights protection for individuals under forensic status: Penny Cameron would like closure on the VCBR medical procedures. Deb Lochart was asked to invite Pam Duggins, VCBR Director of Nursing, to the October or December, 2014, meeting to share any updated facility instructions and intradepartmental medical procedures. Penny Cameron and Deb Lochart will draft a letter to send to Pam Duggins before the meeting to give Ms. Duggins time to review and consider comments with her peers before coming before the SHRC. Deb Lochart offered to speak with Jack Barber, DBHDS Medical Director, to get his input on how to approach this.

Goal 2: Promote the Department’s system Transformation including the Concepts of Recovery and Empowerment: TC Bullock and Deb Lochart will draft a letter to Commissioner Ferguson inviting her to attend the December meeting to talk about her vision.

Goal 3: Promote treatment in the most integrated settings: Cleopatra Booker,
Facility Operations Specialist, and Tammy Peacock, Mental Health Facility Operations Manager, will provide an update later this day.

Goal 3: Ensure that youth in transition receive appropriate services: Deb Lochart reported that she plans to invite Janet Lung, Director of Child and Family Services, and Jim Martinez, Director of Behavioral Health Services, to the December 12, 2014, SHRC meeting in Richmond to talk with the Committee about new initiatives and give a general update on the Office of Child and Family Services.

Goal 4: Promote treatment without coercion: The SHRC received a recent update on the topic from Marion Greenfield, Director of Clinical Quality & Risk Management, and Carolyn Lankford, Quality Improvement Specialist. Deb Lochart will move this item to April 2015 for the next update on reduction of restraint.

Goal 5: Administrative effectiveness. Tracking of activities is ongoing.

Goal 6: Enhance communication with LHRCs – LHRC meetings: On an ongoing basis SHRC members are to attend at least two LHRC meetings a year as Liaisons to the SHRC.

Goal 6: Communications – Newsletter. The SHRC discussed and decided to change this communication vehicle from a newsletter to a more effective use of the Department’s web site. Deb Lochart will remove “Newsletter” and add “Website monitoring and maintenance” to the goals tracking sheet. Deb Lochart said she would monitor and update the web site and she will develop a model for posting LHRC vacancies on the web site.

Timothy Russell asked that the Goals tracking sheet be revised to resemble a calendar with space for notes.

Timothy Russell asked Deb Lochart to email a list of Department offices and personnel, Advocacy groups, etc., to use when considering who to invite to SHRC meetings and what topics should be added to the goals worksheet to help satisfy the indicators.

When ready, the letter will be posted on the web and it may go out to Advocates via email to distribute to LHRCs.

VCBR: Monthly Report
At 9:30 the SHRC reviewed the July 2014 monthly report from the Virginia Center for behavioral Rehabilitation. Timothy Russell asked if there has been a format change. In prior submissions the reports included the previous month’s information in the graphs and data tables. Deb Lochart will ask Jason Wilson if the monthly reports can be compiled in the format previously used.

The SHRC received VCBR Facility Instruction 130 Administration of Medications, and the draft Facility Instruction on Medication Events. Penny Cameron expressed her appreciation for the efforts of Pam Duggins and staff toward developing clear procedures and instructions. The SHRC would like to support VCBR in bringing closure to the draft facility instructions and procedures. Deb Lochart offered to speak with Dr. Jack Barber, DBHDS Director of Medical Affairs, regarding how to proceed appropriately.

VCBR RAC Subcommittee
At 9:33 Vicki Cash-Graff reported on the activities of the SHRC RAC (Resident Advisory Council) Subcommittee. The subcommittee meetings are conducted to allow the VCBR RAC to present concerns of VCBR residents directly to the SHRC. The goal of the RAC Subcommittee is to improve communication between the VCBR RAC and VCBR Administration.

Per the SHRC’s request, prior to the RAC Subcommittee meeting Beth Lee, Human Rights Advocate, met with the VCBR RAC to request their input in identifying topics for discussion. Beth Lee and the Resident Advisory Council developed the agenda for the meeting. The RAC Subcommittee met for the first of its quarterly meetings on August 15, 2014. The meeting convened at Piedmont Geriatric Hospital before proceeding to VCBR to meet with the VCBR RAC in closed session. The main topics on the agenda were the administration of medical needs and morale.

Vicki Cash-Graff reported that during the subcommittee meeting the VCBR RAC requested that the meetings be conducted without the presence of VCBR staff. Vicki Cash-Graff reported also that VCBR staff wanted to be allowed to remove issues from RAC Subcommittee meeting agendas.

Concerning the issue of staff presence during subcommittee meetings, the SHRC determined that, since it is the goal of these meetings to improve
communication between the VCBR RAC and VCBR Administration, it is counter-productive to exclude VCBR staff from attending RAC Subcommittee meetings. However, in the interest of facilitating an avenue in which the Resident Advisory Council may openly articulate their concerns, the SHRC opined that VCBR staff should be present only to hear the issues presented. The RAC Subcommittee meetings are not a forum for staff to voice their concerns and responses. Comments and discussion will occur at Piedmont Geriatric Hospital immediately following subcommittee meetings. Chairman Bullock emphasized the importance of VCBR staff presence at the RAC Subcommittee meetings and the importance of open dialog between the SHRC’s RAC Subcommittee and VCBR Administration following those meetings.

Chairperson Bullock reminded the SHRC that in April 2014 he talked with Jason Wilson, VCBR Director of Healthcare Compliance and Acting Facility Director, to make it clear that the SHRC is not interested in taking an adversarial stance.

Concerning the issue of removing topics from meeting agendas, the SHRC opined that the RAC Subcommittee meeting agendas are to be developed by the Resident Advisory Council. Beth Lee, Human Rights Advocate, will assist the RAC in its development. VCBR staff is not to remove items from the agenda.

Upon a motion by Vicki Cash-Graff and seconded by Penny Cameron the SHRC unanimously voted to send a letter extending a personal invitation to Jason Wilson, VCBR Director of Healthcare Compliance, to attend Quarterly SHRC RAC Subcommittee meetings. The letter is to request that: VCBR staff be present for RAC Subcommittee meetings; the attending staff be there to listen only; and the attending staff dialog with the Subcommittee at Piedmont Geriatric Hospital following the subcommittee meetings. The letter shall also provide the next quarterly meeting date of November 14, 2014, and state the goal of improving communication between the VCBR RAC and VCBR Administration.

Tammy Peacock spoke briefly about extraordinary barriers to discharge. The office strives to nurture relationships with providers and offer whatever help and support the Department can give.

Vicki Cash-Graff noted that VCBR is not on the discharge barriers list and asked if VCBR has extraordinary barriers. Tammy Peacock responded that VCBR residents are not captured on the report because they were not identified as part of Behavioral Health until this new administration came in. Ms. Peacock offered to discuss it with the Assistant Commissioner to see whether it would be appropriate to include VCBR on the report. Vicki Cash-Graff thanked Ms. Peacock and said the SHRC is interested in being informed of the Assistant Commissioner’s response. Tammy Peacock will compile the report and have it posted on the website.
